RE: Revised Permission Form for Community Events and Outings Needed for All Villagers

Dear Village Families and Friends,

We are recirculating the permission form for Villager participating in community events and outings, which will need to be signed and submitted for all Villagers interested in any outings, even if you already completed the form earlier this year.

Based on feedback from you and the Villagers, we know there is an interest in seeing a greater variety of opportunities for community events. With that in mind, we have broadened the attached Event Permission Form and Selection List to be more inclusive of, for example, out-of-town trips to locations such as the Blue Bell Creamery, so that you will not need to sign additional forms moving forward.

There is space on the form for comments if you would like to indicate any specific types of outings, activities, or environments in which your Villager cannot participate, or if you have other requests or feedback for us. If you have any questions or concerns, please also contact Collin Prusak directly at cprusak@villagelac.org or 281-685-4500 for the most prompt response.

Respectfully,

Director of Operations

C.T. Prusak
