To the Board of Directors
The Village Learning Center, Inc.

We have audited the accompanying statements of financial position of The Village Learning Center, Inc. Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Village Learning Center, Inc. for the years ended December 31, 2019 and 2018, and the changes in its net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 1-NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES

The Village Learning Center, Inc. (the Organization), dba The Village Learning & Achievement Center, is a non-profit organization dedicated to creating environments that enable individuals with learning and developmental disabilities to reach their maximum potential and to celebrate and promote the spirit of inclusion in all aspects of human endeavor within our community.

The Village Centers provides services to adults with intellectual and developmental disabilities. We offer a board spectrum of services to meet the needs of families and the loved ones they care for.

The day program provides activities and community opportunities to these individuals to give them a fulfilling life within safe environment. Our structured program consists of social skills, vocational opportunities, skills for daily living and recreational activities. We offer transportation to our clients to and from the day center which is a much-needed service for some of our families.

The Village at Stoney Glen (VASG) is a licensed assisted living home. VASG is a 16-bed facility in which residents are cared for 24 hours a day. These are individuals whose families want them to be able to have independence while at the same time receiving the care and safety that our staff provides for them.

Home and Community Services (HCS) is a state funding source that some of our clients receive. Once this funding is awarded to an individual with disabilities the families chose a provider to facilitate the services that is granted within this program. The Village Centers HCS Village Community Services provides case management, nursing and family support to the individuals that are part of our in house HCS program.

The Village Thrift store is a retail shop within the community of Kingwood that customers can donate and shop at to support our programs. The thrift store also provides volunteer and job opportunities to our clients. They participate in a variety of real-life skills in helping sort/price items, greet customers and running the cash register.

Support and Expenses

Contributions received and unconditional promises to give are measured at their fair values and are reported as an increase in net assets. The Organization reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated assets, or if they are designated as support for future periods. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activity as net assets released from restrictions. Donor-restricted contributions whose restrictions are met in the same reporting period are reported as revenues and gains without donor restrictions.

THE VILLAGE LEARNING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

**NOTE 1-NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

The Organization reports gifts of goods and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service. Expenses are recorded when incurred in accordance with the accrual basis of accounting.

Donated Services, Goods, and Facilities

A substantial number of volunteers have donated numerous hours to the Organization's program services and fundraising campaigns during the year; however, these donated services are not reflected in the financial statements since the services do not require specialized skills. Donated professional services and or property and equipment, if any, are reflected in the statement of activities at their fair value. For the year ended December 31, 2019 and 2018, the Organization recorded approximately \$0 and \$2,671 respectively, in contributed legal and consulting professional services. Materials and other assets received as donations are recorded and reflected in the accompanying financial statements at their fair values at the date of receipt.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents consist of cash held in checking and money market accounts and other short-term investments of a liquid nature with maturities of less than 90 days. At year end and throughout the year, the Organization's cash balances were deposited in several bank accounts at two banks. Management believes that the Organization is not exposed to any significant credit risk on cash and cash equivalents.

THE VILLAGE LEARNING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

**NOTE 1-NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Accounts Receivable

Trade accounts receivable are stated at the amount the Organization expects to collect. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of clients to make required payments. Management considers past transaction history with the client and current economic industry trends when evaluating accounts for collectability. Past due balances and other higher risk amounts are reviewed individually for collectability. Based on management's assessment, the Organization provides for estimated uncollectible amounts through a charge to earnings and a credit to a valuation allowance. Balances that remain outstanding after the Organization has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The allowance account for the years ended December 31, 2019 & 2018 was \$42,240 and \$,4698, respectively. For the years ended December 31, 2019 & 2018, accounts receivable worth \$40,764 and \$3,576, respectively, were written off as uncollectible.

Advertising Costs

Advertising costs are expensed as incurred.

Expense Allocation

Expenses for the Organization have been disaggregated in the Statement of Functional Expenses by both, natural and functional expense classifications. Expenses that directly relate to a particular program or supporting service, have been allocated to that said category on the Statement of Functional Expense. Other expenses have been allocated based on management's estimate, time devoted by the Organization's staff, or square footage allocated to a specific program or supporting service.

Income Taxes

The Organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation. The Organization files an annual Form 990 information report with the Internal Revenue Service. In general, IRS filings are subject to examination by the IRS for a period of three years. The Organization is current on all IRS filings.

THE VILLAGE LEARNING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 1-NATURE OF ORGANIZATION AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Financial Statement Presentation

The Organization follows the recommendation of the Financial Accounting Standards Board in *Accounting Standards Codification 958: Not-for-Profit Entities*. Under ASC 958, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions. The Organization has both, net assets with donor restrictions and without donor restrictions.

Reclassification Adjustments

Certain adjustments have been made to make the presentation of prior year amounts to conform to current year presentation. For current year presentation, direct donor benefits have been presented as a deduction from gross fundraising income on the statement of activities. In prior years, this was presented as a separate item in the statement of functional expense. This reclassification adjustment has no impact on net assets or change in net assets.

Subsequent Events

Subsequent events have been evaluated through March 3, 2021, which is the date the financial statements were issued.

NOTE 2-BOARD DESIGNATED FUNDS

During 2019, the Board of Directors of the Organization designated \$0 for emergency funds (rainy day). During 2018, the Board designated \$30,305 towards the same purpose. These funds are part of Net Assets Without Donor Restrictions on the Statement of Financial Position.

NOTE 3-FXED ASSETS

It is the Organization's policy to capitalize property and equipment over \$5,000. Lesser amounts are expensed. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as contributions at their estimated fair value. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor.

THE VILLAGE LEARNING CENTER, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2019 and 2018

NOTE 3-FXED ASSETS (CONTINUED)

Buildings	25 years
Building Improvements	20 years
Furniture and equipment	5-15 years
Vehicles	5 years
Software	3 years
Computer equipment	3 years

For the years ended December 31, 2019 and 2018, depreciation expense amounted to \$273,663 and \$257,727, respectively.
