## Important Information

**Changes in Activity & Outing Management:** Hello, we would like to inform you that **Katina Powell will be overseeing all Activities and Outings** until further notice. For and **Day Program or Activity/Outing Questions** please email Katina at [Kpowell@thevillagecenters.org](mailto:Kpowell@thevillagecenters.org) .

If you would like to sign up to **Volunteer** for any events or outings, please contact **Erin** at [emalerba@thevillagecenters.org](mailto:emalerba@thevillagecenters.org) . All volunteers, including parents, need to complete the yearly Volunteer Application before assisting in an event.

-- For all Outings: Clients should be at the center by 9:30am the day of, otherwise they may be counted absent & removed from their scheduled outing. --

**Movies:** We will visit local movie theaters twice this month. Please note that the movie list and showtimes are not available far in advance. Villagers will have the opportunity to vote on the options presented to them when they become available.

**Jesse H Jones Park and Nature Center:** We will be visiting Jesse Jones Park to eat lunch and enjoy nature. Participants will have lunch at the park, so a sack lunch and bottled water are required. Not all clients will qualify to attend due to the uneven ground and walking distance.

**Hobby Lobby:** We will be visiting Hobby Lobby to gather supplies for some special art projects. Villagers do not need money to attend but may make their own purchases if desired.

**Mall:** We will be planning to go to the mall to experience shopping and walking around in an air-conditioned environment. If you would like your loved one to eat at the mall, please send funds for them to do so. Villagers do not need money to attend but make their own purchases if desired.

**Food Outings\*:** We will be visiting different establishments to enjoy lunch or a sweet treat. If you would like your loved one to attend, please send funds for them to partake in the activities. We advise a minimum of \$15 for each eating location.

**Mudpie Ceramic Painting:** Participants will be painting items during an art class provided by the Mudpie company. Pricing will start at \$15.00. Once painted, it will take the Mudpie company one week to glaze and fire the ceramics; we will send them home with the clients once they are completed and ready. Space is limited, and not all clients will qualify to attend due to the nature of this activity.

## Save The Date

**Monday, Aug 12<sup>th</sup> Canvas Painting with a Twist:** Villagers will have the opportunity to participate in a special painting project. We will do our best to keep the villagers clean; however, accidents can occur. Please send villagers in clothes you do not mind getting paint on.

**Friday, Aug 30<sup>th</sup> TBD:** The Village Day Program will not be hosting its normal Birthday Bash this month. Our parties will now be held on a quarterly basis. We are still working on planning a fun and engaging activity for our clients and will update everyone with more information when it becomes available.
